Summer Reading List for Upcoming 8th Graders

Note from Miss Stedham: You are only required to read THREE (3) of the books below (or two, if one of your books has a star by its title). I am including a lot of titles; this way, if you start one book and don't like it, you may feel free to choose another. Additionally, if there is a book for which you would like to receive credit that is not on this list, please let me know as soon as possible. I may be able to make an exception, but don't count on it. On the first day of school, please bring this paper to class, having circled or highlighted which books you read and signed at the bottom. I will select one book from your list, and you will give a brief presentation about the book to your classmates. (I will give you time to prepare a statement – it will be a homework assignment.)

Thanks, and have a great summer! I can't wait to meet you guys in the fall. Until then, if you have any questions, please email me at: jstedham@gmail.com
